

Collar TYPE FL08, referring to DIN 2642

description:

Collars are used in connection with loose flanges Type 02 (NieRuf Type FL03).

product features:

- Suitable for liquid and gaseous media
- Referring to DIN 2642

diameter:

DN15 – DN300

design:

collar

material:

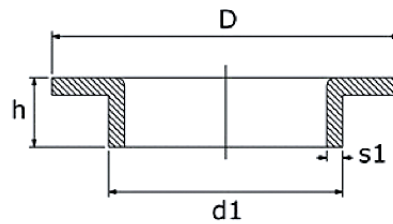

stainless steel 1.4571

connection:

for welding

norm:

referring to DIN 2642
